OF BURLINGTON**

Club Compass Mentor Program

Helps Members Find Direction

The Club Compass mentoring program connects caring adults with Club members to help them see a new vision of their futures and to map out the steps to achieve success. Each semester we match approximately 20 mentors with 20 of our most vulnerable youth. The time is meant to give the child the personal attention and support that each of us need in our lives.

Our mentors discover that it creates meaning in their lives as well.
