

**BOYS & GIRLS CLUB  
OF BURLINGTON**

## Kids Café 2011

The Kids Café program provides free, hot nutritious meals to our members in a safe, positive and fun environment. With the assistance of the Vermont Foodbank, we started the Kids Café in November, 2008. A growing number of kids showing up hungry at the Club every day prompted the growth of this successful program and now we provide more than 500 meals per month. Every Tuesday and Thursday during the school year, the Club serves dinner to our members in the comfortable Cyber Café' at our Oak Street location. Many of our youth's families have told us how Kid's Café has relieved some of the financial burden by serving these weekly meals.
