**Youth of the Year Event 2011
THE VERMONT ALLIANCE FOR BOYS & GIRLS CLUBS**

The Boys and Girls Clubs of Vermont serve over 14,000 youth who need us most in 21 locations across the state each year. Annually we celebrate these youth with the Boys and Girls Clubs' premier character and leadership initiative, the Youth of the Year, which recognizes one Club member's outstanding contributions to family, school, community and the Boys and Girls Club, as well as personal challenges and obstacles overcome. Participants are chosen on local and state levels, culminating with five regional winners meeting in Washington, D.C., to compete for the National Youth of the Year honor.

The young people who earn recognition as Youth of the Year are living proof that Boys & Girls Clubs work. Indeed, there is no stronger testimony that Clubs are truly "The Positive Place for Kids".
