

## BOYS & GIRLS CLUB OF BURLINGTON

Good afternoon,

This camp session the Club has partnered with CIC Health (<https://www.cic-health.com/>) to offer weekly COVID testing for our campers (and staff).

These tests are on a completely voluntary basis for those families that wish to have the option for testing during camp drop off on Mondays. Here is some general information about the COVID testing being offered:

**WHAT:** Free COVID testing

**WHERE:** Main Clubhouse Entrance

**WHEN:** Mondays (7/26, 8/2, 8/9, 8/16) 8am-10am

**WHO:** 8 years old and up

**HOW:** Gentle self-administered nose swab (or done by parent/guardian)

Below is the link to more information about the testing, as well as a consent form for your child to participate in the COVID testing. The form only needs to be completed once for each child, and it allows them to get tested on any of the four Mondays during their Summer Camp session.

Just a reminder that this is completely voluntary and filling out the consent form for your child(ren) just gives you the option to have them participate in any of the COVID testing.

Please feel free to reach out with any questions or to discuss anything! We are looking forward to seeing everyone for Session 2!

Thank you,
